CHAPTER 01

Remove_Me!

```
Flag == scpCTF{Y0u_c4n_u53_D3v700l5}
```

The screenshot shows a web browser's developer tools interface. The 'Elements' panel is active, displaying a simple HTML document structure. The structure consists of a root <html> tag, followed by a <head> tag, and a <body> tag. Inside the <body> tag, there is a text node containing the string 'Flag == scpCTF{Y0u_c4n_u53_D3v700l5}'. The text is displayed in a monospaced font, and the HTML tags are color-coded: <html> and </html> are purple, <head> and </head> are blue, and <body> and </body> are green.

```
<html>  
  <head></head>  
  <body>Flag == scpCTF{Y0u_c4n_u53_D3v700l5}</body>  
</html>
